PHYTOMER'S 3-IN-1 \$145 **M** \$190 **G** A marine based facial that targets the three major beauty concerns: anti-aging, brightening, and hydration, it helps to smooth fine lines, enhance radiance, and moisturize for a revitalized, youthful glow.

TRAVEL \$145 **M** \$190 **G** Phytomer's Citylife products, use marine antioxidants to remove pollutants and help reduce environmental damage. Ideal for frequent travelers.

MIXOLOGY \$145 **M** \$190 **G** A customized Eminence facial that utilizes fresh, organic ingredients to deep cleanse, brighten, lift, tighten, or hydrate.

GENTLEMAN'S \$115 **M** \$150 **G** A facial tailored to the specific needs of the male client, it addresses the issues of razor burn and clogged pores. The facial includes a deep cleanse, exfoliation, extractions, and soothing, hydrating lotion.

LYMPHATIC \$110 **M** \$145 **G** A therapeutic facial including gentle acupressure massage to increase circulation, help remove toxins, and reduce inflammation.

MICRO-DERMABRASION \$110 **M** \$145 **G** An advanced exfoliating treatment that gently removes dead skin cells, minimizes fine lines, acne scars, and uneven texture to reveal balanced and brighter skin.

CLINICAL CONCERNS \$115 **M** \$150 **G** Three Ships natural, dermatologist-tested, unscented, vegan, and cruelty free products are used to help rebalance the skin's natural microbiome. Safe for those with sensitive skin, allergies, and those that may be undergoing Chemotherapy.

BACK \$135 **M** \$175 **G** A purifying treatment to cleanse, exfoliate, unclog pores, and hydrate the oft neglected skin of the back.

ALVEA MINI 25 Min \$50 **M** \$90 **G** A quick pick-me-up facial that cleanses, exfoliates and hydrates to get you back on the pickleball court or golf course.

Add-ons

DERMAPLANING \$50 A deeper exfoliation using a sterile surgical blade to remove dead skin cells and vellus hair. This treatment increases cell turnover and enhances the effectiveness of your at home skincare routine.

LED LIGHT THERAPY \$40 Seven different therapies are used to address inflammation, acne, wrinkles, fine lines and so much more!

HIMALAYAN HOT STONES \$30 Smooth Himalayan salt stones containing 84 essential minerals are applied to promote deep relaxation, improve circulation, and soothe sore muscles.

CBD \$30 A natural non-psychoactive compound made from hemp is used to calm the central nervous system to alleviate muscle pain, reduce inflammation, and enhance relaxation.

AROMATHERAPY \$30 Your choice of a variety of naturally scented massage concentrates curated to enhance mood, promote relaxation, and reduce stress.

SCALP MASSAGE \$30 Combines your choice of Phytomer skin and hair oil and specialized massage techniques to relieve tension, headaches, and promotes deep relaxation.

PATCHES \$50 Using 100% medical grade silicone to target specific areas of skin aging, scarring, and dryness on the face or body, these patches help to promote cell turnover, collagen production and increase the efficacy of your at home skincare routine.
